PHOENIX
CHAMBER CHOIR

| December 20, 2020

We acknowledge that we live, work, and make music on on the ancestral, traditional, and unceded territories of the Coast Salish People. Specifically, the music for this concert was recorded on the land of the Skwxwú7mesh (Squamish), selílwitulh (Tsleil-waututh), and xʷməθkwəy̓əm (Musqueam) Nations.

We ask you to acknowledge the land that you are on, and to recognize that acknowledgement is merely the beginning; we must all commit to active efforts towards reconciliation.

Vox Panacea

Pippa Andrew
Vox Panacea Director

This summer, Phoenix started a new outreach project: an online choir for treble-voiced physicians! Over 30 doctors have been meeting weekly on Zoom with director Pippa Andrews to work on a variety of music and musicianship exercises, and will be sharing 2 pieces in this concert.

The program has now concluded its third session and we look forward to two more sessions in early 2021: January to March, and March to May. For more information about this choir, please email

Dr. Miriam Mottiar - a palliative care physician in Ottawa - put an idea on social media about creating a Canada-wide Physicians Virtual Choir back in October. Phoenix answered the call, and the response from over 200 physicians across Canada was overwhelming!

Special thanks to our guest musicians:

Alan Doyle (Great Big Sea) - Vocals and Guitar

Romano Di Nillo (Come From Away, Broadway) - Bodhran drum

Josh Ward (Hey Rosetta) - Bass guitar

The video will be released on YouTube in support of A-Dollar-a-Day Foundation - dedicated to providing adequate funding to frontline mental health and addictions programs across Canada.

Give the Gift of Music

It is no secret that this year has been particularly challenging for small arts organizations like ours. Phoenix has been able to give the gift of music to the Metro Vancouver community for nearly 40 years now, because of the generosity of everyday individuals like you. Each dollar given at the end of 2020 will allow us to continue to share with you for decades more.

Become a Phoenix Founder

We want to invite you to continue to make experiences like these possible again in years to come, by partnering with Phoenix in giving, specifically, as a ***Phoenix Founder.***

Phoenix Founders are everyday folks who believe in the joy of music so strongly that they choose to give to Phoenix each month. A gift of \$10 per month or \$100 per month: every dollar matters. The impact of a consistent gift is immeasurable.

Plus, there are perks (think: new recordings, concert tickets!) in it for you.

Wishing you a happy and
safe holiday season!
